

Lineman Opening

Adams Rural Electric Cooperative., Inc, located in West Union, Ohio, serves over 7,800 meters. As a non-profit cooperative, we are member-owned and controlled by the members we serve. We are committed to providing safe and reliable electric to our members while supporting the communities we searve.

We are looking to add two additional linemen to our team. A journeyman lineman is preferred but apprentice linemen are encouraged to apply as well. Position is full-time with an excellent pay and benefits package. Applicants must have previous electric line work experience and possess a Class A Commercial Driver's License. Resumes must be submitted and, in our office, no later than 4 pm on Thursday, May 28, 2026.
